ANALYSIS

This is the first extension of time request for the proposed project. The applicant proceeded through the Tentative Map stage as TMP-9121 was approved on 10/20/05. It is noted that the proposed project is located in the Airport Overlay District 200-foot zone. As the proposed project is 312 feet in height a Special Use Permit is required. During the initial approval phase this Special Use Permit was not applied for. Per Title 19.06.080: Prior to the issuance of a building permit a Special Use Permit to allow a height greater than the Airport Overlay District permits shall be required. Approval of this request is deemed appropriate.

FINDINGS

The applicant has made progress on the proposed project through the approval of a Tentative Map (TMP-9121). This Extension of Time request is deemed appropriate. Approval of this request is recommended.
